Announcement

The years creep by and men grow older with the passing years, but a live organization with a purpose goes on and on, outlasting the men who founded it. This will be the thirty-third annual sale the Interstate Shorthorn Breeders Association has held at Sioux City. A few of the "old timers" who were present to help launch the Association a third of a century ago are still active with the Shorthorns and still attend these annual sales. All power to them who founded better than they knew. Yes, thirty-three years is a long, long time in the life of men, but the Association appears still young and vigorous with every indication it will last and function another third of a century and perhaps longer. I do not see how it can ever die so long as the Sioux City business interests give it the active support and cooperation that they always have:

A. J. McCone has personally inspected the sale cattle again this year and reports that he found so many meritorious animals listed that he could not reduce them further without declining really good animals. So he accepted 98 head for this "Third of a Century Sale," and it should be **the best** sale according to the quality of the cattle offered. We can consistently invite all regular patrons, and new ones as well, to attend this Show and Sale with assurance that nobody can be disappointed in the cattle catalogued.

Due to bad weather and traveling conditions, we were unable to secure the usual number of photographs this year, so many of the top cattle are not pictured in this catalog.

Your officers decided to hold a judging contest in connection with our show this year, open to 4-H and FFA members who may be recommended by their County Agent or Agricultural Leader. \$200.00 offered in prizes of \$60.00, \$50.00, \$40.00, \$30.00 and \$20.00, respectively, winnings to apply on the purchase price of any heifers in this sale. It is hoped this will encourage those youngsters desiring a start in pure-bred Shorthorns. Several County Agents have already written that they plan to bring in contestants. One class of bulls and one of heifers will be judged.

GENERAL INFORMATION

As heretofore, this sale will be held at the Horse and Mule Barns at the Sioux City Stock Yards. The cattle may be inspected Saturday or Sunday before the sale, if so desired. The judging will begin Monday at 10 o'clock a. m., and the sale at 12:30 sharp on Tuesday, March 5th. At 6:30 Monday evening, the annual business meeting and banquet will be held at the Mayfair Hotel, to which all interested in Shorthorns are cordially invited. Any of our officers or directors will supply free tickets. James Bach will again be master of ceremonies and arrange the entertainment. H. Russell Kelce, owner of the Merryvale Farms and Shorthorn herd, will be our guest speaker that evening.

PRESS REPRESENTATIVES—M. T. White, 604 North 40th Street, Omaha, Nebraska, representing Wallace's Farmer and Iowa Homestead; and Mervyn Aegerter, 16 So. Locust Street, Aurora, Illinois, with the Shorthorn World. GUARANTEE

All animals to be sold have been tested for T. B. and Bangs and health certificates will be furnished enabling them to go into any state.

Bulls are guaranteed breeders if not allowed to run with herd when under 20 months of age. If a bull fails to breed he may be returned to seller in as good condition as when bought and if after three months trial he fails to breed, the animal will be replaced with one of equal value or money refunded. Cows with calves at foot are considered breeders. All other cows and heifers over 16 months old guaranteed breeders with the same retrial privilege as bulls. All cases of non-breeders to be reported within 90 days. Return freight, when necessary, to be paid by buyers.

The above picture is that of Superb Goldfinder, first prize steer in class at the recent Chicago International Show, exhibited by Held Bros. of Hinton, Iowa. His sire is Gold Barrage by the International Champion, Goldfinder's Champion, and his dam Type's Goldendrop 3rd by Marshall's Type, an Interstate Grand Champion. He weighed 1170 on show day, and although two weeks less than a year and a half old, showed in the heavy weight class. He was later made Reserve Champion Shorthorn in the Junior Division, thus demonstrating that Shorthorns can have both quality and weight for age. His half sister is in this sale, Lot 68.

Gold Favorite—One of the best balanced and one of the best bulls we have ever sold. He has an ideal head, has a world of natural thickness and bone, and as near perfect hindquarters as will be seen on a bull. His dam produced the first prize heifer at the 1944 International Congress Sale that sold to Wertz Bros., Bancroft, South Dakota, at \$1,600.00, and the Champion Steer at the 1941 Iowa State Fair. He is as good a herd bull prospect as can be found anywhere.

Commando's Perfection—Has about everything a herd bull should have. He is sired by Lawton Commando, and his dam, Missie 173d, has produced many of our top cattle. Among them the top bull of this show and sale in 1941. He is an even dark roan with an outstanding head which he inherits from both his sire and dam. Would recommend this bull to head any herd.

Augusta's Violet 3d is a thick red heifer by Edellyn High Command out of a Marellbar Scottish Hero dam that will make a great breeding cow. We have a full sister in our herd that is an outstanding heifer. A three-quarter sister stood fifth and a half sister third in the recent International Congress show and sale.

Lavender 6th is a full sister to Goldfinder's Leader, sold in the 1944 Congress sale to K. C. Whittle, Martinsville, Virginia, for \$2,100.00. This heifer, we believe, is one of the best, if not the best, we ever sold. She has thickness, depth, low-setness and a beautiful color. She will make a good brood cow and a crack junior yearling if you care to show her. Her dam has come again with another full brother that looks like the best calf Champ has ever sired. A heifer out of this cow would be a good addition to any herd. Vaccinated for Bang's.

Braebourne Rosewood is a beautiful solid red heifer and the first calf sired in our herd by Blythwood National Command. The calves by this bull are showing up extremely well and we predict you will be proud to own this first calf when you see the others. The breeding and type of this heifer make her eligible as a foundation cow in a top herd.
